

Japanese Intensive Course

For those who wish to audit the Intensive course

The intensive course is designed mainly for students who aim to enter Japanese universities or graduate schools, and for those who would like to study Business Japanese. In this course, the four skills of reading, writing, listening and speaking are studied in equal balance, within a small class.

This course is also open to those who wish to study for visas such as "Spouse of Japanese National" or "Dependent".

These students study in this course intending to brush up their Japanese to assist in living in Japan, to prepare for the Japanese Language Proficiency Test or to deepen their understanding of Japanese culture

***Student visa is not available for this short time study. Please enter Japan on visas such as Temporary Visitor visa Tourist visa).**
