

Publishing Activities

As a Japanese educational institution we publish some of our own educational materials. We have published various educational materials as well as books specifically for Japanese language teachers and specialists, such as "Shokyusha no tameno nihongo no e-kyozai" (Japanese for beginners-complete with illustrations) as a sub-text for beginners, "Oshieru tameno kotoba no seiri" (Language in order for teaching) volume 1 and 2, reference texts for Japanese teachers and Japanese educational specialists, "Samazamana hyogen" (Various expressions) volume 1 and 2, "Oshiekata no kihon" (Foundation for teaching), and "Jugyo no kumitate"(Lesson structures). Our school has also published "Reading Japanese culture, a textbook for advanced students, as well as "An illustrated guide to situational Japanese expressions 205," a reference book for intermediate learners.
